PROFESSIONAL SUMMARY

I am an Assistant Professor (Law) at Jigyasa University (since September 2026) and a legal scholar and practitioner with 5 years of experience as a Doctoral Researcher. I hold a Ph.D. in Human Rights Law from a very reputed and prestigious NAAC A++ Grade and NIRF ranked Central University of India, where I conducted groundbreaking empirical research on the impact of the Covid-19 pandemic on children's rights in Lucknow. My doctoral thesis provides valuable insights into the challenges faced by children during the pandemic and offers potential solutions to address these issues.

Throughout my 5-year doctoral journey, I also actively participated in numerous international and national conferences and seminars, presenting my research findings to diverse audiences. My work has been published in several reputed national and international peer-reviewed journals, including UGC-Care listed journals, underscoring the quality and relevance of my research in the field of child rights protection.

As an advocate enrolled with the Bar Council of Uttar Pradesh, I have extensive practical experience in various legal domains, including civil, criminal, human rights, and corporate law. My ability to devise compelling legal propositions, effectively mediate settlements, and champion the rights of my clients demonstrates my strong foundation in law and commitment to ethics.

With my combination of university teaching, doctoral research, academic excellence, and practical legal experience, I am well-equipped to excel in the field of Law and Academics. My passion for human rights, dedication to research, and ability to engage students in meaningful discussions make me an ideal candidate for senior academic positions in law.

EXPERIENCE

Assistant Professor (Law)

September 2026 – Present

Jigyasa University

- ♦ Serving as Assistant Professor (Law): teaching law students, mentoring and guiding them in legal research and writing, and contributing to the academic and research activities of the University.
- ♦ Bringing together doctoral-level expertise in human rights and child rights law, practical experience as an enrolled advocate, and interdisciplinary interests in law and technology to classroom teaching and student mentorship.

Advocate

January 2024 – August 2026

Bar Council of UP — Lucknow, Uttar Pradesh, India

- ♦ Enrolled Advocate, Bar Council of Uttar Pradesh. Responsibilities: Championed a broad spectrum of legal matters, encompassing civil, criminal, human rights and corporate domains, leveraging a strong foundation in law. Devised compelling legal propositions and effectively mediated settlements, reflecting a nuanced understanding of legislative intricacies and a strong commitment to ethics. Impact: Successfully represented clients in court cases, bolstering reputation and client trust in the legal service provided. Facilitated an increase in client retention rate through strategic counseling and client relationship management.

- As part of my doctoral thesis, I conducted an in-depth empirical study on the impact of the Covid-19 pandemic on the protection of children's human rights in Lucknow. This research provided valuable insights into the challenges faced by children during the pandemic and potential solutions to address these issues.
- Throughout my doctoral journey, I actively participated in numerous international and national conferences and seminars, where I had the opportunity to present my research findings to diverse audiences. These presentations allowed me to engage in meaningful discussions, receive feedback from experts in the field, and contribute to the broader academic discourse on child rights protection.
- To disseminate my research findings to a wider audience and contribute to the existing body of knowledge, I successfully published several research papers in reputed national and international peer-reviewed journals. These publications, including those in UGC-Care listed journals, underscore the quality and relevance of my work in the field of child rights protection during the Covid-19 pandemic.
